

## 2015 IOM Nordic Championship – Useful information/instructions

### 1: Driving guidance arriving to Hotel Ariadne and anywhere on Lidingö:

There is a new road/tunnel which you or your GPS might not be aware of:

Arriving E4/E20 from south:

- Follow signs to E20 "ferry symbol"
- When entering the city limits and driving on Cederdalsgatan. At the roundabout "Roslagstull" follow road signs "277 Lidingö" (=entering into tunnel)
- When exiting tunnel:  
Hotel Ariadne: second exit "E20 Tallin"  
Lidingö: continue straight ahead road 277 which takes you to the Lidingö bridge (the "old" route/streets are also possible to use)

Arriving E18 from Västerås/Enköping:

- When approaching the city, follow signs "277 Lidingö/E20 ferry symbol".

If arriving via E18 Friday 15:30-17:30 check this alternative route (less traffic):
